

2019 Summer Camp Packet

Sparkles! would like to invite all children 2yrs-12 yrs to join our 2019 Summer Camp extravaganza! Our Summer Camp Kick-off will begin on June 17, 2019. We are looking forward to a wonderful and fun-filled summer. Don't miss out on this great opportunity.

Spaces will be limited so please get your packet today to reserve a space for your child!!!

Dear Parents,

As we are preparing for a fun-filled summer for your child, it is important that we have an accurate attendance record of the children who will continue to be enrolled at Sparkles!. **If you do not turn this packet into the front desk and do not provide a 2 week notice for withdrawal, families will automatically be charge for summer camp.**

If you plan to dis-enroll your child for the entire summer or part of the summer, you will need to complete an extended absence form located at the front desk. Also, 2-week advance notice is required before dis-enrolling your child.

Child's Name: _____

Parent's Name: _____

____ Yes, my child will attend Sparkles! for the summer.

____ No, my child will not attend Sparkles! for the summer.

Dear Parents,

Summer is almost upon us and will be here before you know it. We are currently enrolling for the summer camp program and **spaces are limited**. Many events have been booked and reserved for a certain amount of children. We do give our current families priority to enroll first before we open enrollment to the outside community. We have had many inquiries regarding our summer camp and we anticipate a full enrollment.

If you would like to reserve a spot for the summer camp, all forms attached must be completed and returned along with the summer camp activity fee or the payment plan signup sheet.

All field trip forms must be signed by a parent or legal guardian before summer camp begins. Unfortunately, verbal authorization cannot be accepted.

Parents are not allowed to drop a child off or pick a child up from a field trip.

Please make sure that your child arrives to the center on time on days that we will depart from the center. Also, please plan your pick-up times accordingly. All departure and arrival times will be posted prior to the day of the field trip.

Families that will be taking an extended absence during the summer months please speak with the center director regarding prorated activity fees. If your child attends on a part-time basis, please speak with the director regarding part-time summer enrollment and pricing.

On water-related field trips, children are allowed to wear sunscreen if necessary. Please make sure to complete the sunscreen authorization form that is included in the packet.

We request that children do not bring money on any of the field trips. We will provide any additional items that are needed for the children while attending the trip (i.e. lunch).

****Good behavior is very important on a field trip. If a child's behavior is unacceptable on any field trip, they will not be allowed to attend the next field trip. If the behavior is consistent, a parent will be required to attend ALL remaining field trips, OR we will eliminate all remaining field trips for that child. This will mean that the child will not be able to attend Sparkles! when the child's class is not in the building. This is done for the safety and well being of all children.**

Dear Parents,

Field trips are a fun and exciting adventure for children. You can help us maintain a high level of fun by signing the Field Trip Permission Slip.

The Field Trip Permission Slip are used as evidence of you giving permission for your child to attend the field trip. Any child whose name and parent signature is missing from the permission slip, will be excluded from the field trip.

To make it easier and more convenient, Sparkles! will utilize only one permission slip form per child with ALL field trips listed. If there are specific trips that you do not want your child to attend, you will need to indicate it on the Field Trip Permission Slip form. If you do not wish for your child to attend a field trip and Sparkles! can not provide care for your child during the field trip times.

Departure times for the field trips will be followed exactly. Many of our trips are time sensitive due to booking. If your child is not at the center at the time of departure, they will be left behind.

Field trips will go on as scheduled unless the following occur:

- Local weather warning concerning any unsafe outdoor conditions such as heat or air quality alerts.
- Unforeseen bus or van problems.
- Vendor cancellations
- Any condition that poses a health or safety risk for children and/or staff.

Every effort will be made to reschedule canceled trips. Parents will be notified of any necessary changes ASAP.
